### General Electric Company Full One Year Warranty

General Electric Company warrants this product to be free of manufacturing defects for a 1-year period after the original date of consumer purchase or receipt as a gift. This warranty does not include damage to the product resulting from accident, misuse, improper installation or operation, or unauthorized repair or alteration. If the product should become defective within the warranty period, we will elect to repair or replace it free of charge at our option, including free return transportation, provided it is delivered prepaid to any General Electric authorized service facility. For answers to any question regarding warranty/service, call The GE Answer Center™ by dialing toll-free 800.626.2000.

The consumer's sole remedy shall be such repair or replacement as is expressly provided above, and General Electric shall in no event be liable for any incidental or consequential damages arising out of the use of or inability to use this product for any purpose whatsoever.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty gives you specific legal rights. You may also have other rights which vary from state to state.

For products purchased outside the United States  
see dealer for Warranty.
