December Meeting

Hello everybody. Last month's meeting went really well. We met at the Mocha House in Warren and enjoyed some delicious coffees and pastries while discussing buying computers. One of our member's friends was interested in buying a computer, so I guess he was there at a good time! Jay brought in his computer shopper magazines and that was a great help. For the December meeting, we are still meeting at the bank at 7:00, and then we're going with Jay to his work and he's going to do the demo there. I'm bringing coffee and cookies for everyone, so bring a friend if you like.

I did the newsletter this month. John's pretty busy with work and school. Excuse us if you get your newsletter late; I don't have any addresses since Doc's been out. I've been calling people for their addresses and also e-mailing them. Please call me back or e-mail me, I'd appreciate it!

Also, I wish everyone a Merry Christmas and Happy Holidays!
