The ALLSOP CLEANING KIT gives longer life and higher performance to computer disk drives, monitors, keyboards, and printers. Handy storage case becomes an ALLSOP DISK FILING SYSTEM 10 to protect and organize your valuable floppy disks.

DISK DRIVE CARE. Head cleaning disk and specially formulated cleaning solution provide long life and trouble-free performance of drive head. Flexible, foam-tipped swabs access hard-to-reach areas.

PRINTER CARE. Type font brush features firm bristles to remove heavy deposits from printer type and keyboard. Foam-tipped swabs permit cleaning in areas difficult to access.

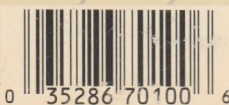

MONITOR CARE. Keep screen spotless and dust-free with anti-stat screen guard cleaner. Non-woven, lint-free cloths allow for complete contaminate removal without scratching delicate surfaces.

REUSABLE CONTAINER. Durable polypropylene storage box is an ALLSOP DISK FILING SYSTEM 10. The reliable system automatically displays disks for quick, convenient retrieval.
